

Wanting to nurture your children or young people in the
Christian faith?
Just don't know where to get started or what material to
use? This is here to help!

Here's a guide to some of the resources that are out there.

For parents

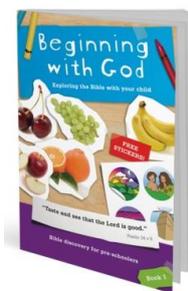

Gospel-centred Family. Many books aim to help Christian parents develop well-trained, well-rounded children. But in this book the focus is on whole families growing into God-knowing, Christ-confessing, grace-receiving, servant-hearted, mission-minded believers – adults and children together. The book consists of 12 chapters, including some questions for reflection. It's available to buy here:

<https://www.thegoodbook.co.uk/gospel-centred-family>

For pre-school and early primary

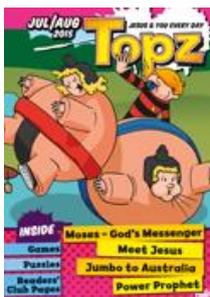

The Beginners Bible. The story Bible that we recommend for children under 6 and on which we base our Bubbles curriculum. Good mixture of stories simply told, colourful and accurate illustrations. Available to buy here: <https://www.thegoodbook.co.uk/children-bible/the-beginners-bible>. Also available from the Faith Mission bookshop.

Beginning with God. We recommend Beginning with God Bible reading notes for this age group. *Beginning with God* helps parents with young children to explore the Bible with their child. It provides a simple and fun way to start your child in a regular habit of reading God's word and growing to know God, who loves them. Available to buy here:

<https://www.thegoodbook.co.uk/daily-bible-reading/beginning-with-god/>
Also available from the Faith Mission bookshop.

Ages 7-11

Topz for this age group has a good variety of activities to keep children's attention and has good application of God's Word to their lives. As well as the regular two-monthly editions, special editions are also available. It's available to buy here: <https://www.cwr.org.uk/store/t-topz.aspx>. Also available from the Faith Mission bookshop.

XTB is another good resource for this age group, with good activities for children, fairly weighty substance, perhaps lighter on application, but still highly recommend. It's available to buy here: <https://www.thegoodbook.co.uk/daily-bible-reading/children/xtb-subscription>. Single issues are also available from the Faith Mission bookshop.

TableTalk is a resource designed for families to use together, rather than parents having devotions with each individual child. A good resource for larger families although the downside is that each child doesn't have a copy of something they can look at. It's available to buy here: <https://www.thegoodbook.co.uk/daily-bible-reading/children/table-talk-subscription>. Single issues are also available from the Faith Mission bookshop.

This resource 'All Together' is well worth a mention. Designed for families to share in together, these 12 weeks of devotional readings are an engaging way for you, as a family, to spend time learning from the Bible, and growing closer together. Each day is made of a Bible reading, as well as questions, thoughts, and ideas to help you talk and learn from the day's passage. Steve and Bekah Legg know the challenges of raising kids in faith, and have put all their experience and expertise into making All Together as fun and graspable as possible for all ages.

Ages 11-14

Discover is a quarterly publication aimed at 11-13 year olds, packed full of puzzles, prayer points and application. Dated notes encourage a daily routine of Bible study and prayer, which will help young people set a pattern for the rest of their lives. With a good range of activities to help maintain interest, it's available to buy here: <https://www.thegoodbook.co.uk/daily-bible-reading/teenagers/>. Single issues are also available from the Faith Mission bookshop.

YPs is another resource for this age group, which while good and with a contemporary look, comes second in our estimate to Discover in terms of content! But you may think differently, so it's definitely worth a look. Available to buy here: <http://www.cwr.org.uk/store/p-1902-y-ps-brjuly-august-2015.aspx#.VXbWpM9Viko> or from Faith Mission bookshop.

Ages 15-18

Mettle has a cool, contemporary look, dealing with Biblical themes and big issues which young people face today. Drawback is that it doesn't go through Bible books as much as other devotionals do, but it's good this age-group, particularly for those who are just getting started in daily devotions. Available to buy here <http://www.cwr.org.uk/store/search.aspx?searchterm=Mettle#.VXbWpM9Viko> or from Faith Mission bookshop.

Engage is a no-nonsense devotional takes young people through books of the Bible. Good, solid stuff – perhaps for the more mature Christian young person. Not as 'cool' as Mettle and perhaps narrower in the range of life-issues affecting young people that it deals with. But still good (and even good for adults too!) Available to buy here <https://www.thegoodbook.co.uk/daily-bible-reading/teenagers/> or at Faith Mission bookshop.
